

Future-proofing
industries

Join us at **ALUMINIUM 2026**

Visit our stand #4F57 in hall 4 in Düsseldorf, October 06-08

Your personal invitation to ALUMINIUM 2026

In an increasingly unpredictable market, long-term competitiveness depends on reliability, clarity, and strong partnerships.

At ALUMINIUM 2026, Hydro will show how we support customers in future-proofing their value chains: with secure aluminium supply, verified transparency and low-carbon solutions you can rely on.

Meet our experts to discuss how resilient supply chains, traceability, and responsible aluminium solutions can help reduce risk and stay competitive.

We look forward to welcoming you in Düsseldorf.

Kind regards,

Per-Eilert Vierli
